

## **“The Info Game”**

*The Info Game is a project designed to increase your understanding of electronic and print information sources and their importance in doing research and throughout your life.*

### **“The Info Game” – Online Research**

You will complete a tutorial that uses the World Wide Web to teach you about the brave new world of electronic information resources. There’s more to online research than just the Web. You will learn how to locate quality information efficiently for your research paper.

To begin “The Info Game” go to this URL:

**<http://library.austincc.edu/infogame.htm>**

**Be sure to do the one labeled Info Game (for English 1301)**

You will complete a worksheet as you go through the Info Game that should end up with enough resources to write your research paper.

**NOTE:** You can do the Info Game from off campus if you have Internet access. There are portions that will require you to log in with your ACC eID.

**If you have trouble with the "The Info Game" :**

- Ask in the library
- Call 223-3068
