

## **“The Info Game”**

*The Info Game is a project designed to increase your understanding of searching and using electronic and print information sources and their importance with college research and throughout your life.*

### **“The Info Game” – Online Research**

You will complete a tutorial that uses the Web to teach you efficient research techniques using high quality electronic information resources. There’s more to online research than just Googling!

To begin “The Info Game” go to this URL:

**<http://library.austincc.edu/infogame.htm>**

As you go through the Info Game, you will complete a worksheet that should provide you with enough resources to write your research paper.

**NOTE:** You can do the Info Game from off campus, but there are portions that will require you to log in with your ACC eID.
